Paperback For Dummies

Are you thinking about traveling, studying, or working in Portugal or Brazil, but you don't know any Portuguese? Want to improve your conversation skills with the Portuguese-speaking people in your life? Portuguese Phrases for Dummies is the perfect diving board for anyone looking to communicate and even become fluent in the language.

As the fifth-most widely spoken language in the world, Portuguese can be heard in South America, Africa, Asia, and of course, Portugal. If you want to know basic Portuguese but don't want a boring textbook that unloads tons of conjugation rules or long lists of words to memorize, then this quick-and-easy phrasebook will get your feet wet without overwhelming you. This friendly book covers a wide array of subjects both helpful and interesting, including:

Numbers, days of the week, measurements, and time

Making friends and small talk

Enjoying every type of meal

Shopping in markets and at stores

Culture, leisure, and activities

Work and transportation

Finding a place to live

Dealing with emergencies

Slang and colloquial terms

Phrases and particles to make you sound like a local!

Knowing these fundamentals, you'll be able to communicate with Portuguese-speaking people and continue learning about the language and culture. With hundred of useful phrases at your fingertips, Portuguese Phrases for Dummies will give you a basic comprehension of this beautiful language and have you speaking instantly!

Paperback CONTEXTO - TEC

Description

O segundo volume de INTRODUÇÃO À LINGUÍSTICA expõe os princípios de análise dos fenômenos da linguagem. Começa pelo estudo dos sons (Fonética e Fonologia), passa pelo exame da palavra e seus componentes (Morfologia), pela análise da sentença e chega até a investigação do sentido (Semântica), das categorias da enunciação (Pragmática) e da organização do discurso. Cada capítulo é acompanhado por uma lista de exercícios para que o próprio leitor possa aventurar-se pelos caminhos da análise linguística. O livro - que dá prosseguimento aos estudos presentes em INTRODUÇÃO À LINGUÍSTICA I - OBJETOS TEÓRICOS - mostra também que a ciência não é a verdade, mas é uma explicação provisória da realidade, e que o debate, a contradição e o conflito são inerentes ao fazer científico. Preparado por uma equipe de reconhecidos especialistas, sob a coordenação de José Luiz Fiorin, permite que se compreenda com clareza os princípios básicos da análise da linguagem humana.

Sinopse extraída do website livalivri.com.br

A obra preenche uma lacuna do mercado editorial brasileiro: a necessidade de estudos detalhados sobre os vários gêneros de textos. A obra divide-se em dois momentos: no primeiro, estão os estudos relacionados à definição do conceito de gêneros textuais e, na segunda parte, encontramos trabalhos desenvolvidos a partir de vários gêneros textuais, incluindo aqueles surgidos com a Internet, como o correio eletrônico (e-mail) e os bate-papos virtuais (chats). As organizadoras reuniram, ainda, alguns exemplos, tais como textos jornalísticos, cartas, resumos, verbetes e canções.

Paperback Barron's Educational Series

Book Description

This revised edition of the popular Barron's Dictionary & Thesaurus packs more than 40,000 words with their definitions and synonyms into a handy pocket-sized book. The new edition is small enough so that students can conveniently fit it into a backpack, carry to classes, and use as a reliable reference when writing essays and term papers. It's a two-in-one word guide, with the top portion of each page serving as a standard pocket dictionary and the bottom part of the page set up in a thesaurus format. Headwords in both sections are printed in color. Each dictionary headword is followed by its part of speech and definition. Every thesaurus headword-in addition to its list of synonyms-comes with an example sentence that uses the word in its standard context. The thesaurus section offers a total of approximately 100,000 synonyms for the book's headwords. Corresponding dictionary and thesaurus entries are always cited on the same page for fast, easy reference.

Paperback Delta Systems Co

Book Description

Delta s Key to the TOEFL iBT: Advanced Skill Practice is a revised and updated edition of Delta s Key to the Next Generation TOEFL Test.

Since the introduction of the TOEFL iBT in 2005, there have been significant changes to some of the test questions, particularly the integrated writing and integrated speaking tasks. The new 2011 edition of Delta s Key reflects these changes with the addition of many new practice questions and updated strategies. All of the content in our new edition meets the current specifications of the Internet based TOEFL iBT.

We have listened to the concerns of our users, and the new edition of Delta s Key incorporates feedback from students and instructors. Now, for the first time, we include the companion audio in mp3 format on a single CD with the book. This means the full nine hours of audio can be played on a variety of media players. The audio does not have to be purchased separately.

Delta s Key to the TOEFL iBT: Advanced Skill Practice is a comprehensive test preparation course for advanced and high intermediate learners of English who are studying for the Test of English as a Foreign Language. The course format works very well in the classroom and for independent study. Ample practice builds the skills and confidence that are keys to success in an English speaking environment.

Features

35 units of study in reading, listening, speaking, and writing

Four full length tests in TOEFL iBT format

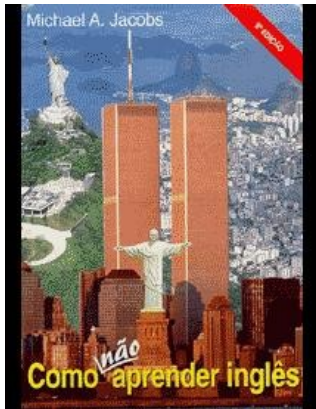

1,200 questions in the units, quizzes, and tests

Answer key, audio script, and score charts

Abundant skill practice for 15 weeks of study

Nine hours of audio in mp3 format included with the book

Paperback Independently published

Do you know what the hardest thing for a Portuguese learner is?

Finding PROPER reading material that they can handle...which is precisely the reason we've written this book!

Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all!

In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Portuguese tongue.

How Portuguese Short Stories for Beginners works:

Each story is interesting and entertaining with realistic dialogues and day-to-day situations.

The summaries follow a synopsis in Portuguese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about.

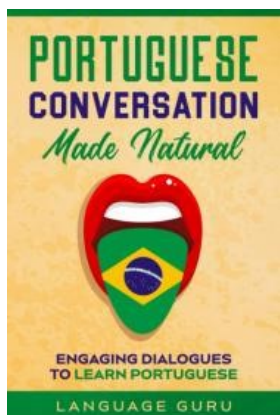

At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance!

Finally, you'll be provided with a set of tricky questions in Portuguese, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!

So look no further! Pick up your copy of Portuguese Short Stories for Beginners and start learning Portuguese right now!

This book has been written by a native Brazilian author and is recommended for A2+ level learners.

Having trouble understanding or conversing with native Portuguese speakers? If so, try this book!

The purpose of this book is to provide the reader with conversational dialogues in Portuguese that use 100 percent real Portuguese. As language learners ourselves, we understand the desire to learn the real Portuguese language as used by native speakers. Textbook dialogues and grammar books not only are boring, but they also don't represent the real Portuguese language that is used every day.

With our book Portuguese Conversational Made Natural, you can immerse yourself in real Portuguese conversations that tell an authentic story through a variety of dialogues. Each chapter builds upon the narrative by featuring short, genuine exchanges between native Portuguese speakers in both formal and informal settings. You will find conversations between close friends, coworkers, family members, classmates, and strangers that will help prepare you to speak Portuguese in the real world.

Along the way, you'll also find several situational scenarios from daily life to improve your Portuguese language ability. These include picking up prescriptions at the pharmacy, checking out books from the library, and ordering food at a restaurant.

Each dialogue has been written and edited by native Portuguese speakers from Brazil, so you can be absolutely sure that you are getting the most natural Portuguese grammar, vocabulary, and phrases.

Each chapter also comes with comprehension questions to test your understanding of the story and the Portuguese used. No drills or grammatical exercises are necessary to learn Portuguese!

Our language learning method focuses on the power of extensive reading and listening to achieve fluency. You will find more information about this in the book's introduction.

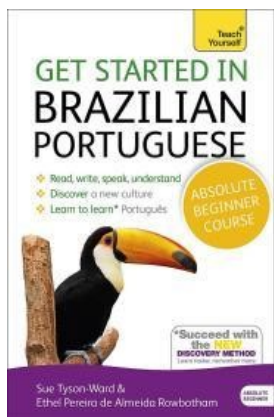

(The level of the material is best suited for intermediate learners or beginners who are looking for a challenge.)

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 700 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at home wherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's. 5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

Having trouble understanding or conversing with native Portuguese speakers? If so, try this book!

The purpose of this book is to provide the reader with conversational dialogues in Portuguese that use 100 percent real Portuguese. As language learners ourselves, we understand the desire to learn the real Portuguese language as used by native speakers. Textbook dialogues and grammar books not only are boring, but they also don't represent the real Portuguese language that is used every day.

With our book Portuguese Conversational Made Natural, you can immerse yourself in real Portuguese conversations that tell an authentic story through a variety of dialogues. Each chapter builds upon the narrative by featuring short, genuine exchanges between native Portuguese speakers in both formal and informal settings. You will find conversations between close friends, coworkers, family members, classmates, and strangers that will help prepare you to speak Portuguese in the real world.

Along the way, you'll also find several situational scenarios from daily life to improve your Portuguese language ability. These include picking up prescriptions at the pharmacy, checking out books from the library, and ordering food at a restaurant.

Each dialogue has been written and edited by native Portuguese speakers from Brazil, so you can be absolutely sure that you are getting the most natural Portuguese grammar, vocabulary, and phrases.

Each chapter also comes with comprehension questions to test your understanding of the story and the Portuguese used. No drills or grammatical exercises are necessary to learn Portuguese!

Our language learning method focuses on the power of extensive reading and listening to achieve fluency. You will find more information about this in the book's introduction.

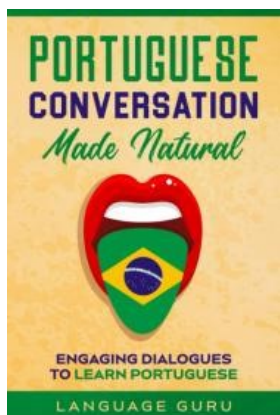

(The level of the material is best suited for intermediate learners or beginners who are looking for a challenge.)

Do you know what the hardest thing for a Portuguese learner is?

Finding PROPER reading material that they can handle...which is precisely the reason we've written this book!

Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all!

In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Portuguese tongue.

How Portuguese Short Stories for Beginners works:

Each story is interesting and entertaining with realistic dialogues and day-to-day situations.

The summaries follow a synopsis in Portuguese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about.

At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance!

Finally, you'll be provided with a set of tricky questions in Portuguese, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!

So look no further! Pick up your copy of Portuguese Short Stories for Beginners and start learning Portuguese right now!

This book has been written by a native Brazilian author and is recommended for A2+ level learners.

Do you know what the hardest thing for a Portuguese learner is?

Finding PROPER reading material that they can handle...which is precisely the reason we've written this book!

Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all!

In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Portuguese tongue.

How Portuguese Short Stories for Beginners works:

Each story is interesting and entertaining with realistic dialogues and day-to-day situations.

The summaries follow a synopsis in Portuguese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about.

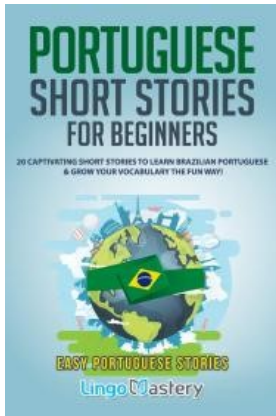

At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance!

Finally, you'll be provided with a set of tricky questions in Portuguese, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!

So look no further! Pick up your copy of Portuguese Short Stories for Beginners and start learning Portuguese right now!

This book has been written by a native Brazilian author and is recommended for A2+ level learners.

Paperback Independently published

This new edition of Comparative Grammar of Spanish and Portuguese is a complete reference guide to all the aspects of Spanish and Portuguese. It is the ideal reference book for those who would like to learn and compare Spanish and Portuguese simultaneously. It presents a clear and easy-to-read description of the Spanish and Portuguese grammar with chapters divided into nouns, pronouns, verbs, prepositions, articles, etc. detailing how each of the two Romance languages operate. The book is well-organized, neatly tabulated, with separate subheadings for topics that require a little more language-specific discussion. This edition features: - Coverage of Spanish and European and Brazilian Portuguese and the information on the grammatical differences between the two variants of Portuguese. - Detailed contents section and index for easy access to information. - Hundreds of illustrative and authentic examples. - Coverage of all the grammatical aspects and useful expressions - Sections on the geographical, historical and cultural facts of the Spanish and Portuguese-speaking world. This book is written for learners who are particularly fond of or would like to concentrate on learning Spanish and Portuguese or just to get an all-round knowledge of these two Romance languages. Furthermore, the author has aimed to create a useful and must-have book for all those interested in the two main and most wide-spread Neo-Latin languages - Spanish and Portuguese with concise and clear explanations of all grammatical areas and numerous practical examples taken from current Spanish and Portuguese usage. This book bears in mind all the differences between Peninsular or Castilian Spanish (español peninsular/castellano) spoken in Spain and Latin American Spanish (including different accents of Spanish in Latin America), and the divergencies between European Portuguese and Brazilian Portuguese. Part II of the book introduces language functions, which is basically a phrase book containing all the important phrases and expressions learners need to know to start and maintain a basic conversation or to express their opinion.

Paperback Lingo Mastery

What is the hardest challenge you've faced as a student of the Portuguese language?

You can work hard on your grammar, vocabulary and pronunciation, but being able to communicate naturally isn't easy.

In fact, the toughest part of learning Portuguese is knowing how to speak like a native.

Most textbooks are made to teach you the traditional rules and structures of a language and are great for getting around the grammar and spelling questions you may have.

However, how many of them provide you the tools necessary to have a common conversation with a best friend or someone you've just met? Not many at all.

Language learners often complain about this - a lack of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings.

For this reason, we at Lingo Mastery have developed Easy Portuguese Phrase Book: Over 1500 Common Phrases for Everyday Use and Travel for you, our favorite language-learner, so that you may find the best expressions for common usage in Portuguese and communicate with your Portuguese speaking friends, colleagues and client without any issue!

In this book:

An introduction with a detailed guide on how to pronounce vowels and consonants (as well as their combinations) in the Brazilian Portuguese tongue.

A list of over 1500 common phrases in Portuguese, with an accurate translation in English for your understanding.

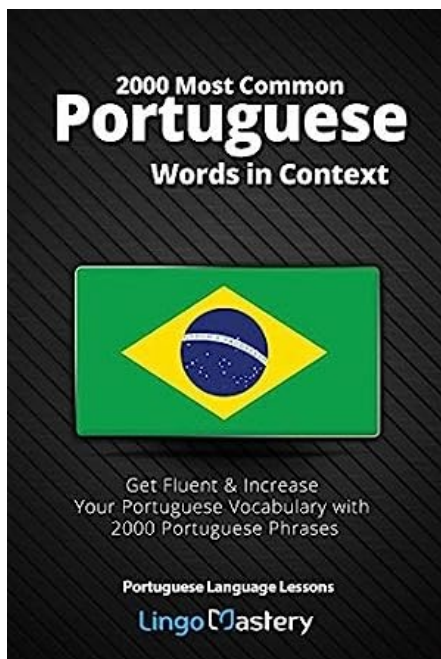

A phonetics pronunciation guide of each and every word in the phrases, included after every translation.

Finally, a conclusion to make sure you've learned and supply you with a final list of tips.

Your days struggling with natural communication with natives is finally over. Our Easy Portuguese Phrase Book is here.

It's time for you to take your Portuguese to the next level.

Have you been trying to learn Portuguese and simply can't find the way to expand your vocabulary?

Do your teachers recommend you boring textbooks and complicated stories that you don't really understand?

Are you looking for a way to learn the language quicker without taking shortcuts?

If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in Portuguese, a list of terms that will expand your vocabulary to levels previously unseen.

Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers!

In this book:

A detailed introduction with tips and tricks on how to improve your learning

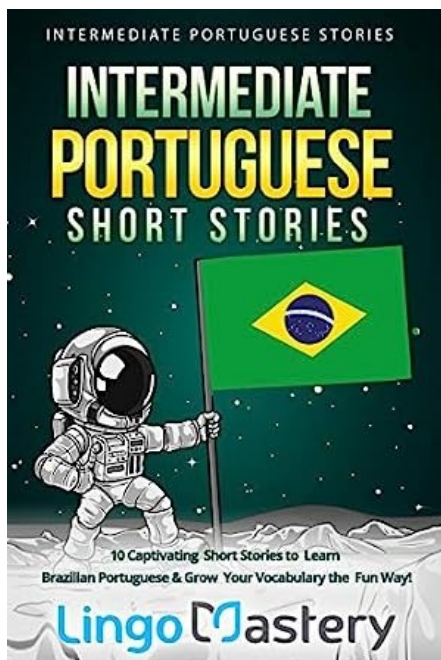

A list of 2000 of the most common words in Portuguese and their translations

An example sentence for each word - in both Portuguese and English

Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here!

In fact, we're ready to turn you into a Portuguese speaker... are you ready to get involved in becoming one?

"Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers*

An unmissable collection of eight unconventional and captivating short stories for young adult and adult learners of Brazilian Portuguese.

Short Stories in Brazilian Portuguese for Beginners has been written especially for students from high-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading.

What does this book give you?

- Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary
- Controlled language at your level to help you progress confidently
- Realistic spoken dialogues, to help you learn conversational expressions and improve your speaking ability
- Accessible grammar so you learn new structures naturally, in a stress-free way

- Beautiful illustrations accompanying each story, to set the scene and support your understanding
- Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!'

Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including:

- A glossary for bolded words in each chapter
- Full plot summary

- A bilingual word list
- Comprehension questions after each chapter.

As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Brazilian Portuguese for Beginners will make learning Brazilian Portuguese easy and enjoyable.

About the Author

Olly Richards speaks eight languages and is the man behind the popular blog: I Will Teach You A Language. He started learning his first foreign language at age 19, when he bought a one-way ticket to Paris...

With no exposure to languages growing up, and no special talent to speak of, he had to figure out how to learn a foreign language from scratch. Fifteen years later, Olly has studied ten languages and has decided to reveal how he accomplished his goal of learning foreign languages quickly.

Although he started the I Will Teach You A Language blog in order to document his latest language learning experiments, his useful and actionable writing quickly transformed the blog into one of the most popular sources of language learning advice on the web. He now produces language books and courses across a variety of mediums with the goal of helping other people to successfully learn a new language.

Paperback Atual Editora

Tópicos de Linguagem é uma série elaborada por quem conhece a sala de aula, a língua portuguesa e as dificuldades mais frequentes que apresenta.

Textos simples, dinâmicos, objetivos, que respondem às dúvidas em torno da gramática, da redação e da compreensão de textos.

Cada um dos seus dezessete volumes sistematiza, organiza, propõe e complementa - sobretudo por meio de exercícios variados - assuntos que, em geral, o livro didático não aborda de forma tão abrangente.

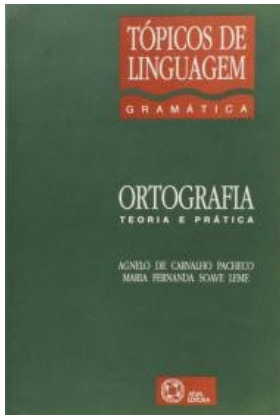

Matéria graduada, exposta de maneira a respeitar o ritmo do aluno.

Tópicos desenvolvidos com critério, de modo a levar o aluno à prática imediata.

Fonologia, Acentuação e Crase:

propõe-se a atender à dinâmica do desenvolvimento desses três importantes temas da nossa gramática. Seguindo uma ordem crescente de complexidade na apresentação dos conceitos e dos exercícios, este livro visa facilitar tanto o trabalho em sala de aula quanto o de pesquisa, permitindo ao aluno uma avaliação sistemática dos assuntos abordados em cada etapa.

Paperback José Olympio

Por que razão chamamos um veículo de jardineira e uma escola de jardim-de-infância, se nenhuma relação existe com flores ou plantas ornamentais? De onde vem o termo chorinho, se a música é alegre e brejeira? Em que circunstância o verbo azarar, que significa urubuzar, incorporou o sentido de paquerar? De onde vêm termos usados no mundo do futebol como barbada, embaixada, frango, gol olímpico, lanterna, zebra etc. ? Por que chamamos uma ave de peru (Peru), os povos de língua inglesa chamam de turkey (Turquia) e os de francesa de dinde (da Índia), se não é originária de nenhum desses três países? Márcio Bueno, com seu espírito inquieto e questionador, decidiu procurar respostas para várias dessas questões intrigantes. Aliás, tem por hobby colecionar a história de palavras que apresentam alguma curiosidade em seu nascimento, em sua evolução ou ao assumir novas acepções. A partir de 1995 e durante sete anos, o passatempo transformou-se em pesquisas sistemáticas, com consultas a trabalhos dos mais conceituados etimólogos, filólogos e historiadores de língua portuguesa, de outras línguas neolatinas e também de germânicas. E o autor foi além, desenvolvendo pesquisas de campo que apresentaram resultados surpreendentes, como a descoberta da origem de biruta, que até hoje os estudiosos não haviam identificado. O resultado final é um dos mais sérios e profundos estudos de etimologia voltados para o grande público. As surpresas se sucedem a cada página.

Profissional de televisão, Bueno tem uma forte ligação com imagens. Essa é a razão por que o livro é ilustrado com desenhos e fotografias de objetos e personalidades que deram origem a palavras que usamos no cotidiano. Em diversos verbetes, é possível conhecer as injunções políticas e econômicas que motivaram o surgimento de novos vocábulos. No verbete cuba-libre, por exemplo, são desvendados os interesses que estiveram por trás da criação do nome e também da própria bebida. Em muitos outros casos, o autor fala da origem das palavras e também da própria coisa significada, a exemplo de asa delta, bina, capoeira, chorinho, tênis etc. Embora respeitando fundamentalmente o que dizem os estudiosos, o autor descobriu pelo menos um caso em que a razão está com os chamados iletrados. Segundo suas pesquisas, quando o povo pula do bisavô para o tataravô, ignorando solenemente a existência do intermediário, o trisavô, está tão somente resistindo a uma mudança que teve como base um equívoco cometido no século XIX. No capítulo Influência Portuguesa, o autor nos brinda com termos correntes em diversos outros idiomas, incluindo o inglês, o francês e o japonês que tiveram origem em nosso idioma. É o momento de maior elevação da auto-estima de quem fala português.

Análise Sintática

estuda detalhadamente as estruturas sintáticas da língua portuguesa: a oração e seus termos, o período e sua construção. Partindo da distinção fundamental entre frase, oração e período, o autor esmiúça tanto as inter-relações das palavras dentro da oração como as inter-relações das orações dentro do período. Estabelecendo definições e classificações claras e coerentes, o livro propõe uma extensa lista de exercícios e questões de vestibular, além de reservar um capítulo inteiro ao estudo das palavras que e se.122

Paperback Parábola

Book Description

Esse livro se concentra nos seguintes eixos: uma identificação rigorosa de fenômenos variáveis do português brasileiro em dados do português europeu popular; uma interpretação do português brasileiro mais conforme à sua sócio-história; uma reflexão teórica inovadora sobre aquisição e mudança. Naro & Scherre demonstram que características morfosintáticas e fonológicas do português brasileiro, atualmente envoltas em estigma e preconceito social, são heranças românicas e portuguesas arcaicas e clássicas, e não modificações mais recentes advindas das línguas africanas, ou das línguas dos povos ameríndios. Tampouco seriam o resultado de processos de simplificação ou outras modificações espontâneas causadas pelo contato, durante o processo da transmissão não tradicional da língua. O português brasileiro não é o português simplificado ou o português com influência africana; é o português com as suas raízes originais, rurais e populares, transplantado para uma terra mais fértil e, conseqüentemente, com um desenvolvimento mais intenso. Longe de ser um português criouloizado, o português do Brasil é o português radicalizado.

Description

This book presents the elements of everyday Portuguese, stressing European Portuguese, but also giving information on Brazilian Portuguese. Covering grammatical topics, vocabulary, and practice sentence material, this book is a solid, well-organized approach to Portuguese that anyone interested in the language will find highly useful.

Pronunciation is very clearly explained first, and it is followed by twenty-five well-proportioned, progressive lessons that cover all the main points of contemporary grammar: gender, present indicative, formation of plural, agreement and position of adjectives, definite and indefinite article, use of *ser* and *estar*, commands, personal pronouns, imperfect indicative, reflexive pronouns and reflexive verbs, present subjunctive, future and imperfect subjunctive, conditional, negatives, infinitive, pluperfect and perfect indicative, and much more. An Appendix gives conjugations of regular verbs, orthographic-changing verbs, radical-changing verbs, and irregular verbs, while a Portuguese-English Vocabulary, an English-Portuguese Vocabulary, and an Index complete the book.

This book is suitable for self-study outside of class, for refresher, and for reference. It is particularly useful as a supplement to phrase and conversational study.

Description

Step By Step, these attractive and interesting lessons make it possible for you to understand and speak Brazilian-Portuguese in the shortest possible time.

The Cortina Method combines a selection of practical phrases of everyday use and the absence of complicated grammatical rules, to make the study of spoken Portuguese quick, easy and effective.

A Comprehensive Reference Grammar is provided following the lessons. This section which also contains a guide to pronunciation will prove a handy and invaluable aid to the student.

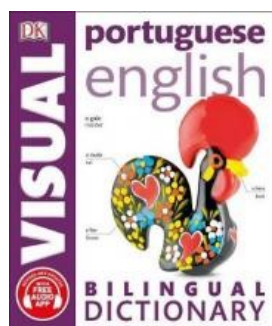

Useful Dictionary

This Portuguese-English Dictionary of about 1,200 words also has an index of grammatical points which will be found especially practical because, in addition to giving the translation of the most important words, they refer to sections of the grammar where they are covered.

For students who desire a rapid mastery of "spoken conversational Brazilian-Portuguese," the Cortina Academy has recorded the vocabularies and conversations of this book using voices of native Brazilian instructors chosen for their excellent accent and pleasing tone. Anyone interested in a full description of these recordings and a FREE Sample Record in Brazilian-Portuguese has only to send the postcard inserted in the back of this book.

Cortina's Short-Cut Method has received the approval of students, teachers, schools, colleges, and business firms all over the world.

Description

As in the ever-changing English language, Brazilian Portuguese is colorful and ever-changing in its gíria or slang (from the simply conversational to the vulgar) - and advanced students are often only exposed to the formal or classic literary forms of the language. "A Dictionary of Informal Brazilian Portuguese", originally published in 1983, remains a profitable reference tool to help bridge the gap between the classroom and the streets and contemporary literature of Brazil. Beyond students and researchers, this dictionary, containing over 7500 Brazilian expressions, will be invaluable to travelers, businesspeople, translators and others who are seeking insight into the rich nuances to be found in informal Brazilian Portuguese. Enhanced often with Portuguese sentences to place the words or phrases in context, this dictionary will reward the reader with the colorful inventiveness of the language - and this is not bafo-de-boca (hot air!).

Paperback

What is the hardest challenge you've faced as a student of the Portuguese language?

You can work hard on your grammar, vocabulary and pronunciation, but being able to communicate naturally isn't easy.

In fact, the toughest part of learning Portuguese is knowing how to speak like a native.

Most textbooks are made to teach you the traditional rules and structures of a language and are great for getting around the grammar and spelling questions you may have.

However, how many of them provide you the tools necessary to have a common conversation with a best friend or someone you've just met? Not many at all.

Language learners often complain about this – a lack of material that can help you familiarize yourself with the most common phrases used in everyday conversation and in native surroundings.

For this reason, we at Lingo Mastery have developed Easy Portuguese Phrase Book: Over 1500 Common Phrases for Everyday Use and Travel for you, our favorite language-learner, so that you may find the best expressions for common usage in Portuguese and communicate with your Portuguese speaking friends, colleagues and client without any issue!

In this book:

An introduction with a detailed guide on how to pronounce vowels and consonants (as well as their combinations) in the Brazilian Portuguese tongue.

A list of over 1500 common phrases in Portuguese, with an accurate translation in English for your understanding.

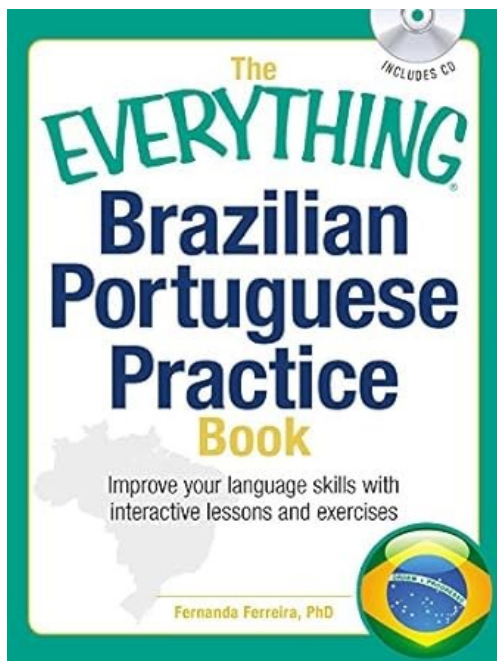

A phonetics pronunciation guide of each and every word in the phrases, included after every translation.

Finally, a conclusion to make sure you've learned and supply you with a final list of tips.

Your days struggling with natural communication with natives is finally over. Our Easy Portuguese Phrase Book is here.

It's time for you to take your Portuguese to the next level.

Paperback

Having trouble understanding or conversing with native Portuguese speakers? If so, try this book!

The purpose of this book is to provide the reader with conversational dialogues in Portuguese that use 100 percent real Portuguese. As language learners ourselves, we understand the desire to learn the real Portuguese language as used by native speakers. Textbook dialogues and grammar books not only are boring, but they also don't represent the real Portuguese language that is used every day.

With our book Portuguese Conversational Made Natural, you can immerse yourself in real Portuguese conversations that tell an authentic story through a variety of dialogues. Each chapter builds upon the narrative by featuring short, genuine exchanges between native Portuguese speakers in both formal and informal settings. You will find conversations between close friends, coworkers, family members, classmates, and strangers that will help prepare you to speak Portuguese in the real world.

Along the way, you'll also find several situational scenarios from daily life to improve your Portuguese language ability. These include picking up prescriptions at the pharmacy, checking out books from the library, and ordering food at a restaurant.

Each dialogue has been written and edited by native Portuguese speakers from Brazil, so you can be absolutely sure that you are getting the most natural Portuguese grammar, vocabulary, and phrases.

Each chapter also comes with comprehension questions to test your understanding of the story and the Portuguese used. No drills or grammatical exercises are necessary to learn Portuguese!

Our language learning method focuses on the power of extensive reading and listening to achieve fluency. You will find more information about this in the book's introduction.

(The level of the material is best suited for intermediate learners or beginners who are looking for a challenge.)

Paperback

The second edition of Modern Brazilian Portuguese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese.

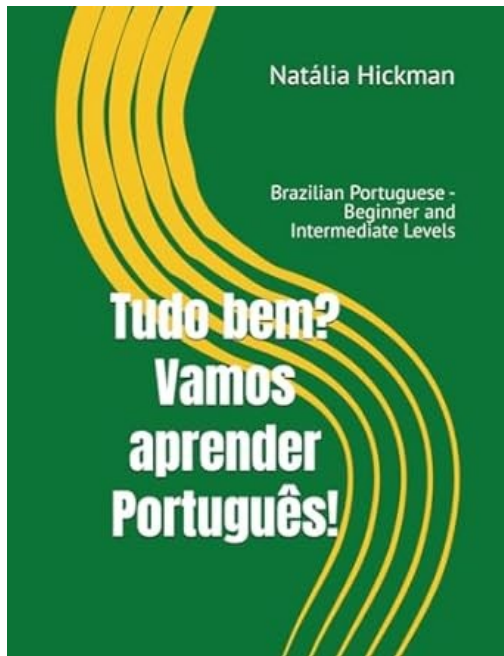

The book is divided into two sections:

- Part A provides exercises based on essential grammatical structures
- Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs).

A comprehensive answer key at the back of the book enables you to check on your progress.

The Modern Brazilian Portuguese Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with Modern Brazilian Portuguese Grammar: A Practical Guide, it can also serve as an independent resource.

Paperback

This new edition of Comparative Grammar of Spanish and Portuguese is a complete reference guide to all the aspects of Spanish and Portuguese. It is the ideal reference book for those who would like to learn and compare Spanish and Portuguese simultaneously. It presents a clear and easy-to-read description of the Spanish and Portuguese grammar with chapters divided into nouns, pronouns, verbs, prepositions, articles, etc. detailing how each of the two Romance languages operate. The book is well-organized, neatly tabulated, with separate subheadings for topics that require a little more language-specific discussion. This edition features: - Coverage of Spanish and European and Brazilian Portuguese and the information on the grammatical differences between the two variants of Portuguese. - Detailed contents section and index for easy access to information. - Hundreds of illustrative and authentic examples. - Coverage of all the grammatical aspects and useful expressions - Sections on the geographical, historical and cultural facts of the Spanish and Portuguese-speaking world. This book is written for learners who are particularly fond of or would like to concentrate on learning Spanish and Portuguese or just to get an all-round knowledge of these two Romance languages. Furthermore, the author has aimed to create a useful and must-have book for all those interested in the two main and most wide-spread Neo-Latin languages - Spanish and Portuguese with concise and clear explanations of all grammatical areas and numerous practical examples taken from current Spanish and Portuguese usage. This book bears in mind all the differences between Peninsular or Castilian Spanish (español peninsular/castellano) spoken in Spain and Latin American Spanish (including different accents of Spanish in Latin America), and the divergencies between European Portuguese and Brazilian Portuguese. Part II of the book introduces language functions, which is basically a phrase book containing all the important phrases and expressions learners need to know to start and maintain a basic conversation or to express their opinion.

Description

Através de método estrutural-comunicativo, este livro, Falar... Ler... Escrever... Português, leva o aluno totalmente principiante a entender, falar, ler e escrever português com fluência e segurança, em nível de linguagem coloquial correta. É destinado a adultos e a adolescentes a partir dos 13 anos de idade aproximadamente, de qualquer nacionalidade. Os textos foram criados e o vocabulário, selecionado a partir dos centros de interesse imediato do aluno nas áreas familiar, profissional e social. Aspectos da cultura do Brasil, de sua história e geografia são apresentados através de textos narrativos. As noções gramaticais, abordadas sempre de maneira clara e concisa, são aplicadas e incorporadas pelo aluno através de grande número de atividades e exercícios de seu interesse. A progressão é ativa, porque obedece, não só ao nível de dificuldade, mas também à urgência do problema gramatical. Este método, completo em si até o nível intermediário, permite ao aluno continuar seu aprendizado em nível avançado.

SAMBA! Desenvolve, de forma dinâmica, uma abordagem que considera a língua como um meio de realizar tarefas em contextos reais. Tal abordagem também reconhece a língua e a aproximação intercultural como elementos indissociáveis e interdependentes para desenvolver o saber fazer, o saber falar e o saber ser no contexto brasileiro.

Os conteúdos do curso foram idealizados como pontos de partida para uma viagem linguística e cultural de descoberta do Brasil. Para quem ainda não conhece o país, esta não é apenas uma ferramenta para aprender a língua: é um guia. Para quem já chegou, trata-se de uma oportunidade de aprofundar e amadurecer a experiência.

SAMBA! Desenvolve, de forma dinâmica, uma abordagem que considera a língua como um meio de realizar tarefas em contextos reais. Tal abordagem também reconhece a língua e a aproximação intercultural como elementos indissociáveis e interdependentes para desenvolver o saber fazer, o saber falar e o saber ser no contexto brasileiro.

Os conteúdos do curso foram idealizados como pontos de partida para uma viagem linguística e cultural de descoberta do Brasil. Para quem ainda não conhece o país, esta não é apenas uma ferramenta para aprender a língua: é um guia. Para quem já chegou, trata-se de uma oportunidade de aprofundar e amadurecer a experiência.

Do you know what the hardest thing for a Portuguese learner is?

Finding PROPER reading material that they can handle...which is precisely the reason we've written this book!

Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes — it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all!

In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Portuguese tongue.

How Portuguese Short Stories for Beginners works:

Each story is interesting and entertaining with realistic dialogues and day-to-day situations.

The summaries follow a synopsis in Portuguese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about.

At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance!

Finally, you'll be provided with a set of tricky questions in Portuguese, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any — we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles!

So look no further! Pick up your copy of Portuguese Short Stories for Beginners and start learning Portuguese right now!

This book has been written by a native Brazilian author and is recommended for A2+ level learners.

Book Description

A proposta que Le Goff nos oferece neste livro é de uma originalidade ímpar: não há nenhum estudo semelhante sobre o papel do dinheiro na Idade Média, visando ao grande público. O autor mostra como, numa sociedade dominada pela religião, o cristianismo ensinou aos cristãos a atitude que deveriam adotar ante o dinheiro e que uso fazer dele. E de que forma isso interferiu diretamente nas relações entre as pessoas no período, quando o valor da moeda teve um grande retrocesso: as imagens que representam o dinheiro são sempre pejorativas e tendem a impressionar, levando as pessoas a temerem seu uso.
